Report of Principal and School Improvement Council

Crosswell Elementary served 511 students from 4K-5th grades. This year's theme, "Tied Into Learning", allowed us to connect to all areas of 21st century learning.

We continued to have an active PTA and School Improvement Council. Our PTA hosted family friendly events such as the Fall Festival and Spring Fling. The SIC also sponsored STEM Night showcasing science, technology, engineering and mathematics and Stayin' Alive Night featuring healthy lifestyles. Families enjoyed many interactive learning experiences with their children at these events.

Teachers continued to advance their instructional skills by utilizing Professional Learning Communities that focused on classroom instruction, lesson planning, and data analysis. Weekly professional development led by administration and teachers, provided the teachers with the ability to collaboratively plan and assess classroom instruction. Teachers continued the use of MAP assessment data to differentiate their instruction and create prescriptive lessons.

Students were afforded opportunities through extra-curricular activities such as Chorus, Art Club, Drama Club, Library Helpers, Beta Club, and Safety Patrol. Programs such as Beta Club and Cub Citizens fostered leadership development in our students. Student artwork was displayed in the local hospital, art museum, and school district administrative office. Four students were selected to perform in the SC All-State Elementary Honor Choir. Crosswell also had 2 students to receive honorable mention awards at the district level Science Fair.

School-wide service learning projects were encouraged. Crosswell students and staff raised monies to support the American Cancer Society, Shriner's Hospital, and United Way. Students also showed their caring spirit by participating in the "Souper Bowl of Caring" food drive and in collecting toys for Country Santa. Pet supplies were also gathered for the local animal shelter. Students collected books for the book drive and visited senior citizens to sing and do projects with them at a local nursing home.

Crosswell was recognized again this year as a Palmetto Gold Award winner in General Performance and as a Palmetto Silver Award winner in Closing the Achievement Gap. Crosswell received recognition for being a Safe Kids Safe School for the fifth consecutive year.

Crosswell Elementary continues to provide a quality education by partnering with parents and the community to meet the needs of our students. Our mission is to challenge young minds to work together for excellence in education while striving for success in life.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
